LEADERSHIP

OBJECTIVE 1: Within the next two years, TACCHO will conduct at least one activity to provide leadership as a premier public health organization.	<p>1.1 Identify and share innovative public health practices that improve the public health system in Texas. Action – TACCHO hosted monthly calls of the Infectious Disease Workgroup to discuss policies and practices to address emerging infectious diseases, in particular COVID-19 Action – TACCHO has developed a Director Texting Group that shares public health practices.</p>
OBJECTIVE 2: Within the next two years, TACCHO will conduct at least two activities to strengthen LHD director leadership, through workforce development and improvement of professional/academic competencies.	<p>2.1 Conduct one leadership conference to include local health department directors and key staff. Action – In 2019 and 2020 TACCHO hosted an annual conference for local and state health department staff.</p>
	<p>2.2 Provide effective training for local health department leadership in a variety of formats (e.g., in person, online, etc.). Action – Breakout Group Sessions were held during the Annual Conference on topics including Health Equity, Nurses, Financial Officers, Health Education Leaders, Accreditation Network, Office Staff Support.</p>
OBJECTIVE 3: Within the next two years, TACCHO will conduct at least one activity to enhance leadership relationships with state, national and global entities.	<p>3.1 Develop a circle of influence that identifies opportunities to be the single voice of local public health in Texas. Action – TACCHO participate on the Texas Public Health Coalition and serves on the Steering Committee for that group to bring the local public health perspective to the discussions.</p>

EDUCATION

OBJECTIVE 1: Within the next two years, TACCHO will conduct at least two activities to help promote or develop opportunities for professional development.	<p>1.1 Develop and maintain a professional development calendar to exist on the TACCHO website and in the quarterly newsletter. Action – TACCHO has placed links to various educational resources on the TACCHO website for members to access.</p>
	<p>1.2 Partner with the Texas Department of State Health Services and academic institutions to develop discipline-specific training opportunities. Action – TACCHO and DSHS have worked collaboratively in 2019 and 2020 to host two annual conferences that offers topics in leadership skills, planning, Peer network sessions and regional breakout sessions. Action – TACCHO has five -year (2018-2023) grant with Tulane University to support development of public health professional trainings.</p>

OBJECTIVE 2: Within the next two years, TACCHO will conduct at least two activities to help promote the value of the public health field to the public.	2.1 Develop a statewide communications campaign to promote public health through all forms of media and technology. <i>Action – TACCHO has placed informational blurbs and articles on the TACCHO website to inform on public health practices and local public health activities.</i>
	2.2 Ensure effective training for LHD leadership in variety of formats (e.g., in person, webinar, etc.).

ADVOCACY

OBJECTIVE 1: Within the next two years, TACCHO will conduct at least two activities to help create fully-functional and equipped local health department infrastructure.	1.1 Increase TACCHO visibility through a media communications plan to include a social media campaign/strategies.
	<p>1.2 Develop and maintain a partnership plan to include a list of advocacy partners and strategies to support our partners per public health issue and sector or population focus.</p> <ul style="list-style-type: none"> ▪ <u>Strategy 1.2.1</u> – Advocacy Workgroup will inventory partners as they relate to a specific public health issue. <p><i>Action – TACCHO has a list of partners and potential partners.</i></p> <ul style="list-style-type: none"> ▪ <u>Strategy 1.2.2</u> – Advocacy Workgroup will develop list of potential partners and develop relationships. <p><i>Action – TACCHO belongs to the Texas Public Health Coalition as a Steering Committee and General Member. TPHC has around 30 entity members.</i></p>
OBJECTIVE 2: Within the next two years, TACCHO will conduct at least two activities to help promote and support public health policies in Texas.	<p>2.1 Develop and maintain a legislative plan.</p> <ul style="list-style-type: none"> ▪ <u>Strategy 2.1.1</u> – Creating and maintaining a list of legislative priorities based on member prioritization. <p><i>Action – TACCHO has maintained a list of legislative priorities for two years.</i></p> <ul style="list-style-type: none"> ▪ <u>Strategy 2.1.2</u> – Developing position statements to describe the TACCHO legislative priorities for websites and partners. <p><i>Action – TACCHO developed and distributed 8 position statements in 2019 to legislators and legislative staff.</i></p> <ul style="list-style-type: none"> ▪ <u>Strategy 2.1.3</u> – Engaging legislators to develop at least two bills by the beginning of the next legislative session. <p><i>Action – In 2019 TACCHO members worked with two legislators to develop 2 bills – 1) establishing a provider type for LHDs in the Medicaid system and 2) granting better access to data submitted by LHDs to DSHS.</i></p> <ul style="list-style-type: none"> ▪ <u>Strategy 2.1.4</u> – Developing an elected official engagement plan during the legislative interim period (e.g., social media strategies).

	<ul style="list-style-type: none"> • <u>Strategy 2.1.5</u> – Hosting legislative briefings to inform legislators of the importance of public health. <p>Action – TACCHO held two Advocacy Briefing, each in 2018 and 2019, at the Capitol for legislators and staff.</p>
	2.2 - Support coordination on common issues by the Border Health Task Force.

DEVELOPMENT

OBJECTIVE 1: Within the next two years, TACCHO will conduct at least six activities to strengthen and sustain a high-performing organization for the members.	<p>1.1 Develop three peer-to-peer professional networking groups based on professional classification of staff (e.g., nurses, epidemiologist, communications staff, etc.).</p> <p>Action: Six groups have been developed and who meet at the TACCHO Annual Conference – Nursing Peers, Office Manager Peers, Accreditation Peers, Health Educator Peers, Health Equity Peers, Finance Manager Peers</p>
	1.2 Identify regional meeting sites to highlight the communities of our members.
	<p>1.3 Implement a system to award members (e.g., LHD of the year, merit awards, innovation awards, advocacy awards, etc.).</p> <p>Action: TACCHO Awards have been created and given in 2018, 2019 and 2020 for –</p> <ul style="list-style-type: none"> • LHD of the Year • Education Through Innovation • Public Health LEADER • Outstanding Public Health Service – Local Health Department staff • Outstanding Public Health Service – Department of State Health Services • Meritorius Service • Local, State, or National Policy Leader.
	<p>1.4 The executive director and members will email alerts regarding critical issues relevant to local health departments.</p> <p>Action: Regular email alerts are sent regarding public health issues. A texting group has been created and used to provide immediate notice to members.</p>
	<p>1.5 Develop a system to recognize members with longevity (e.g., 5 years, 10 years, 15 years, etc.).</p> <p>Action: TACCHO was formed in October 2014 so longevity is just starting to accrue.</p>
OBJECTIVE 2: Within the next two years, TACCHO will conduct at least two activities to expand membership and improve membership engagement.	<p>2.1 Develop and share recruitment materials highlighting member benefits (e.g., video, handouts, etc.).</p> <p>Action: A description of Benefits is included in the reach out to non-TACCHO members during annual renewal.</p>
	<p>2.2 Develop a one-pager to list ways or methods members can promote TACCHO (e.g., social media sharing and adding TACCHO to their signature line).</p> <p>Action: Several TACCHO members have added TACCHO to their signature line.</p>
OBJECTIVE 3: Within the next two years, TACCHO will conduct at least two activities to identify funding sources to implement TACCHO initiatives.	<p>3.1 Research methods to diversify existing funding sources available to support TACCHO plans and membership needs (e.g., advocacy, leadership development, a speaker fee).</p>

	<p>Action: The TACCHO Leadership Conference has morphed into an Annual Conference with registration fees, exhibitor and sponsor fees.</p> <ul style="list-style-type: none"> • TACCHO 2019 Conference – Registrations - \$30,450; Sponsorships - \$49,999; Exhibitors - \$1,000 • TACCHO 2020 Conference – Registrations - \$39,775; Sponsorships - \$44,499; Reception Sponsors - \$3,000, Exhibitors - \$1500
	<p>3.2 Identify and submit at least two funding proposals to support TACCHO infrastructure needs, including staff (e.g., funders like Kresge and DeBeaumont).</p> <p>Action: TACCHO submitted proposals and received the following funds:</p> <ul style="list-style-type: none"> • County Health Rankings Funding – 2018/19 - \$1500; 2019/20 - \$4900 • Tulane University SPH Funding – 2018/19 - \$14,600; 2019/2020 - \$14,600 • deBeaumont Foundation Funding – 2020 - \$2500
